Tezos Foundation to Support Southeast Asia Community Organization

31 August 2018

The Tezos Foundation is pleased to announce that it will issue a grant to support the establishment of Tezos Southeast Asia (“TSA”).

Based in Singapore, TSA will play an active role in the growth of the Tezos ecosystem by educating individuals and groups throughout Southeast Asia about Tezos and its technology. TSA will host meetups, sponsor educational programs, and support other initiatives to further develop a vibrant and empowered Tezos community in Southeast Asia and advance the project overall.

This grant is the most recent of the Foundation’s efforts to support regional community organizations all over the world. The Tezos Foundation [previously announced](#) its support of the Tezos Commons Foundation, Tezos Korea Foundation, and Tezos Japan Foundation. Community organizations in need of immediate consideration for a grant from the Foundation are invited to [submit grant proposals](#) and help grow the Tezos ecosystem.
